Irene Carter : Ms Carter's 41 Delicious Pie Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Ms Carter's 41 Delicious Pie Recipes:

0 of 0 people found the following review helpful. YUMMYBy charlette smithThis cookbook is very nice and easy to follow.I read it and baked a couple of pies using the recipes in this book. I then used the same ones to show a friend of mine how to bake a pie. She has never baked before, and wanted to learn. The recipes I chose out of this book were perfect.This book is good for the experienced and novice baker. And they are very tasty, That is the most important.0

No crust recipes; she uses ready made crust. I would say a good cookbook for someone just starting to make pie and needing some good ideas and recipes. It was handy on my Kindle while on vacation, as I needed to throw together a pie and had access to this little cookbook.1 of 1 people found the following review helpful. If you never made a pie before....By Carol MillerOkay, I'll admit that I am not a pie novice. I'm not a novice at anything in the kitchen, except making pasta, which I have never tried. Maybe if I were brand new, I would have liked this book more. One of the things that really rubbed me the wrong way was that several of the pies had two recipes - like Apple and Lemon. That would be fine if she had told us why they were different or why we might prefer one over the other, but that was not the case. There were just duplicates for no reason. In addition, there just wasn't anything special about any of them. Maybe they are delicious as billed, but I wasn't tempted to find out. Then again, the book was free, so I didn't lose anything.

These recipes take me back to a time when I was a little girl in the kitchen with my mother. I remember when the aroma from the pie's in the oven used to pass through the house and that same aroma passes through my house today. My grandmother passed these recipes down to my mother and my mother passed them on to me. These recipes are a family tradition. I am so sure you and your family will love these delicious pie recipes as my family have for many years. I am now passing these delicious recipes on to you to enjoy with your family as i have enjoyed with mine. You will find delicious pie recipes like: Fudge Ribbon Pie Party Pumpkin Pie Delicious Sweet Potato Pie Apple Pie Cream Pie Lemon Chiffon Pie Coconut Cream Pie Lemon Meringue Pie Cherry Pie Rum Pie Caramel Custard Pie Ice Cream Pie

About the AuthorIrene Carter was born in Pennsylvania. She moved to New York City with her daughter in the 1950's.
