Penguin Australia : Muffin Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised Muffin Bible:

0 of 0 people found the following review helpful. Great if you are from AustraliaBy SJMSince this book was published in Australia, some of the ingredients and measurements are foreign to me. I do not have the equipment to make the recipes and have no idea where to purchase the ingredients. So I returned the cookbook even though some of the recipes looked good and purchased a different one that was produced in the USA.1 of 1 people found the following review helpful. Easy to follow recipesBy EstherIt was my first attempt to bake muffins and I tried one of the chocolate nut muffin recipes. The crust turned out a little hard. It could be due to the heat of my oven though i followed the recipe and the fact that i did not sift my flour before measuring. But overall, the muffins are delicious. the inside is moist.The recipes are easy to follow. I would have given it 5 stars if only there is a section on giving tips on making muffins. I had to surf the Net separately to identify where I went wrong during the process i.e. sifting the flour, put water in an empty muffin tin e.g.I will be making the orange date muffins this coming week. Couldnt wait to taste the result.4 of 6 people found the following review helpful. Love the Muffin BibleBy K. HopkinsGreat little book. Lots of

recipes and pictures. Everything I have made so far has been excellent.

There's nothing like a freshly baked muffin, hot out of the oven and smelling like heaven. Home baking is one of life's simple pleasures. Preparing wholesome, delicious food for your friends and family is so deeply satisfying. And the best thing about muffins is that they are so easy and quick to bake! The Muffin Bible has 170 delectable recipes with easy-to-follow instructions to ensure you bake the perfect muffin every time. With a combination of sweet and savoury recipes, low-fat options, and handy hints and variations, the Muffin Bible has something for every occasion and every taste.

About the Author Penguin Australia is home to some of Australia's best-selling and award-winning writers and illustrators.
