But there are also entree-style "muffins" that I am going to try.....except that my neighbor saw the book on my kitchen counter and happily absconded with it for the time being because she loved the recipes and wanted to make some!The directions are easy, the ingredients are

"normal," the little muffins are clever attractive and some can be made ahead (BIG plus for a party). 0 of 0 people found the following review helpful. It's a good way to control portions (especially with desserts) and a fun new way to present even some family favorites. It also leaves room for imagination, which I appreciate because we all like to use what we have on hand. Prep and bake time is short, which is great for busy households.

MAKE MAGIC IN YOUR MUFFIN TINFrom crowd-pleasing appetizers and enticing side dishes to mouth-watering entrees and delectable desserts, this book serves up a wonderful variety of delicious and fun dishes.
