Laura Zahn : Muffins: 60 Delicious Recipes Shared by Bed Breakfast Innkeepers Across the Country before purchasing it in order to gage whether or not it would be worth my time, and all praised Muffins: 60 Delicious Recipes Shared by Bed Breakfast Innkeepers Across the Country:

1 of 1 people found the following review helpful. GREAT Muffin RecipesBy LindaLove this muffin book...lost my

original copy during a move, so had to purchase another. Great muffin recipes for company/guests. My favorite: cranberry cream cheese muffins....a must try
2 of 2 people found the following review helpful. Cute Little Cookbook
By Garnet
This cookbook might not be very large, but it packs a punch. Some delightful recipes for various muffins are included, from truly decadent chocolate ones to more healthful ones with fruit and nuts. Some of the recipes include mixing up the dough and being able to keep it for a while in the fridge, so you can bake fresh muffins all week long. I especially enjoyed the little blurbs that went with each one regarding the BB it came from...makes me want to go and visit some of them. It gave the cookbook a nice friendly feeling. The only thing that would have added to this cookbook would have been a few color pictures of some of the muffins in question, but that probably would have raised the price of the book. A cute gift for someone who is always looking for a few good muffin recipes to add to their collection of tried and true favorites. It would also be good for someone looking to start their own BB business or to go into a gift basket with some baking supplies.

By Williams Grant Inn
As a bed and breakfast owner and innkeeper, this book is indispensable. We have been using it for years and bought two more for friends. Tried and true recipes.
