4 of 4 people found the following review helpful. one of Better Homes Gardens Better BooksBy Spencer PalmerA splendid little recipe book for muffins and breads put forth by Better Homes Gardens. This book has several interesting recipes for what is listed in the title. Also, a few dessert recipes as well. All in all a worthwhile book with several appealing recipes. Better Homes Gardens at its best!

This pleasing selection of 68 recipes lets today's bakers create the old-fashioned flavors grandma used to make while meeting the time constraints of the 1990s. Easy-to-follow instructions make creating muffins, quick breads, biscuits and scones, coffee cakes, and yeast breads simple and rewarding. Full-page, full-color photos will inspire readers to make the recipes.
