Purchased this book years ago for myself and found it again to give to my daughter for Christmas this year after they raved about my pancakes. 0 of 0 people found the following review helpful. The best muffin and pancake recipe book ever! By hbm12319 I had purchased this book from a general store years ago. My ex wouldn't give it back to me so I went online and voila there it was on ! I am so happy to have this book again! It has the best ever blueberry pancake recipe. If all you buy this book for is the pancake recipes you will be so thrilled. I highly recommend this book. 1 of 1 people found the following review helpful. Easy to understand baking By Arlene B. Heed I have been using this baking book for years; i bought it in Reading, Pennsylvania. The recipes are easy to understand. The ingredients are readily available. I love it and use it all the time.
