Linda Le : My Asian Kitchen before purchasing it in order to gage whether or not it would be worth my time, and all praised My Asian Kitchen:

Asian culinary culture is one that is founded on the balance of flavors, well-being, refinement, and artful presentation peppered with a flamboyant history of migration. The exotic flavors of ginger, lemongrass, chile, cilantro, tamarind, mango, apaya, coconut, and lime are at the heart of this vibrant and creative cuisine which surprises and delights with every bite.
