Lucy Burningham : My Beer Year: Adventures with Hop Farmers, Craft Brewers, Chefs, Beer Sommeliers, and Fanatical Drinkers as a Beer Master in Training before purchasing it in order to gage whether or not it would be worth my time, and all praised My Beer Year: Adventures with Hop Farmers, Craft Brewers, Chefs, Beer

Sommeliers, and Fanatical Drinkers as a Beer Master in Training:

0 of 0 people found the following review helpful. Fun, fast, fact-filled read. By Erica B Hassinger Lucy Burningham upped her beer game and took us along for the ride. Part beer education and part memoir, *My Beer Year* weaves informative beer knowledge, historical context, modern craft industry behind-the-scenes, and beer culture through the lens of a Cicerone-in-progress, freelance writer, and mother. I live in Portland, so it was particularly fun to read insights about some of my favorite breweries. A great read for craft beer novices and aficionados alike. 0 of 0 people found the following review helpful. Cheers to *My Beer Year*! By Customer A playful and effervescent romp through the hops fields. Burningham examines beer from the perspective of a gourmand and elevates the humble beverage to the top shelf. Pour yourself a cold one and crack open this book. 0 of 0 people found the following review helpful. Great book so far. By Thomas M. Great book so far. Very informative. Ms. Burningham starts out as a novice and takes us along the way to a better understanding of beer and all its flavors.

A love note to beer--appreciating the history, craftsmanship, and taste of craft beer as told by a woman striving for beer-expert status. As a journalist spurred by curiosity and thirst, Lucy Burningham made it her career to write about craft beer, traveling to hop farms, attending rare beer tasting parties, and visiting as many taprooms, breweries, and festivals as possible. With this as her introduction, Lucy decided to take her relationship with beer to the next level: to become a certified beer expert. As Lucy studies and sips her way to becoming a Certified Cicerone, she meets an eclectic cast of characters, including brewers, hop farmers, beer sommeliers, pub owners, and fanatical beer drinkers. Her journey into the world of beer is by turns educational, social, and personal; just as enjoying a good beer should be.

Part history, part travelogue, and part tasting notes, this charming, beer-soaked memoir is a must-read for anyone who ever ordered a pint and wished they knew more. —Amy Stewart, author of *The Drunken Botanist: The Plants that Create the World's Great Drinks* "We all come to expertise bit by bit, pulled forward by the curiosity of discovery. Lucy Burningham takes us on her own journey in a story that functions at once as an introduction to and loving memoir of beer. I was particularly drawn to her experiences as a woman entering this masculine world; her observations offer a fresh perspective we rarely encounter in books about beer." —Jeff Alworth, author of *Secrets of the Master Brewers* and *The Beer Bible* "Learning about beer can be delicious but daunting. Thankfully we have Lucy Burningham's bold new book to guide us. Her engaging and witty voyage into the most exotic beer styles reveals not only the mysteries of these innovative brews but Burningham's own curious, fearless, and ultimately triumphant voice. Enjoyable, illuminating, and smoothly written, *My Beer Year* whets a mighty thirst." —Christian DeBenedetti, author of *The Great American Ale Trail*, coauthor of *Beer Bites*, and founder of *Wolves People Farmhouse Brewery*, Newberg, OR About the Author LUCY BURNINGHAM has written about craft beer and beer culture for *The New York Times*, *The Wall Street Journal*, *Bon Appetit*, *Saveur*, *Sunset*, *Epicurious.com*, *Men's Journal*, *Imbibe* and multiple *Lonely Planet* titles, including *Washington, Oregon the Pacific Northwest* and *Food Lover's Guide to the World*. She has worked as a journalist for the past 15 years and holds a master's degree in nonfiction writing from Portland State University. Lucy has given presentations and conducted beer tastings at food and drink festivals, Powell's Books, and more. She is a member of the Pink Boots Society, the beer industry's professional organization for women. She hopes that one day her homebrew will be good enough to share with friends.
