**Mary Berry : My Kitchen Table: 100 Sweet Treats and Puds** before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Kitchen Table: 100 Sweet Treats and Puds:

6 of 6 people found the following review helpful. Very good book By Book Worm Love this book. I am a fan of Mary Berry. I notice a few reviews complaining about the measurements being in metric. But this is a British cookbook. I always bake with metric measurements (it is more precise than "a cup of this, 1/2 cup of that etc) so that was no problem for me. The oven temperatures are in centigrade so I just double the temperature - if the recipe says 150 degrees Centigrade, then I bake at 300 degrees Fahrenheit. 0 of 0 people found the following review helpful. I am happy to have found this reference for a great price By Lee I am happy to have found this reference for a great price. Recipes are in the metric system so you will need to know how to use if not used to Metric measurements in cookings.

Excellent recipes and arrived in described shape.0 of 0 people found the following review helpful. Nice Book, Delightful AuthorBy CharlieNice book from a delightful cook. I'm eager to try some recipes as soon as I located some of the unusual (for the US) ingredients.

Following the success of Mary Berry's 100 Cakes and Bakes, the baking queen returns with this wonderful collection of 100 more recipes for biscuits, pastries, cupcakes and teabreads, cakes, tarts, pies, cheesecakes and sponge puddings - plenty of inspiration to satisfy any sweet tooth.She includes both classic recipes and new ideas, which have all been tried-and-tested and photographed, making this the perfect baking book for beginners and an excellent companion to Mary's 100 Cakes and Bakes.
