Debbie Brown : Naughty Cakes: Step-by-Step Recipes for 19 Fabulous, Fun Cakes before purchasing it in order to gage whether or not it would be worth my time, and all praised Naughty Cakes: Step-by-Step Recipes for 19 Fabulous, Fun Cakes:

6 of 6 people found the following review helpful. Debbie Brown set of 3 Naughty Cakes books By A'sonda Recently I purchased Naughty Cakes, Xtra Naughty Cakes and Seriously Naughty Cakes by Debbie Brown. As of date I haven't attempted to make any of the cakes featured however they seem do-able with her step-by-step guides. The biggest complaint I have is that all the books feature the exact same cakes! Minues maybe one unique one for each book. I brought these books together as recommended them as frequently brought together. Seriously Naughty Cakes has all the cakes from the other two books and it is a waste of money to buy all three of these. One book would have done the trick. Overall I'm happy with the book and can't wait to make some Naughty Cakes! 0 of 0 people found the following

review helpful. Another well done book by Debbie BrownBy Crystal RubioAnother well done book by Debbie Brown. A must for your collection if you are an avid cake decorator.4 of 4 people found the following review helpful. Buy Seriously Naughty Cakes InsteadBy Leigh A. WarrenBe aware that Seriously Naughty Cakes provides all of the exact same information and designs that are included in both Naughty Cakes and Xtra Naughty Cakes. It is simply a rebinding of the other two books. Don't waste your money on this book but get Seriously Naughty Cakes instead to get more for your money.

These playful, naughty and just a bit risquacute; confections are sure to get the party started! Simple directions and 110 color photographs make recreating all 20 cakes at home a snap, and each of the designs can be further modified for endless variations. Decorators get instructions for making and using their own sugar glue, edible modeling paste, icings, and sugar support sticks in original designs which emphasize humor, rather than shock value. The designs are suitable for both men and women, and include a Hunky Firemen cake, the Almost Full Monty, Tunnel of Love, Pole Dancers, and Roly Poly Strip-a-Gram cakes, all sure to create quite a memorable impression at the next stag or bachelorette party, college graduation, or birthday celebration.

About the AuthorDebbie Brown is a well-known, highly respected and experienced cake decorator who runs workshops and cake decorating courses throughout the UK and abroad. She regularly gives demonstrations and is the author of a number of books, including the popular Naughty Cakes (New Holland), Saucy Cakes and Magical Cakes. She lives in Ashford, Middlesex
