I grew up with the delicious "basic" bread pudding recipe until I found "New-Fangled, Old-Fashioned Bread Puddings" several years ago. Now I can make savory, fruit, and dessert bread puddings as well. It is a wonderful way to use up those excess bread ends, or loaves of bread, as a delicious addition to a meal or even a quick and easy healthful and filling snack during the day. I found and bought a copy of this book on as a Christmas gift for my niece whose family also eats and loves bread pudding. I know she will enjoy it just as much as I do! 0 of 1 people found the following review helpful.
