By Natalie K My husband is really into the local breweries and I saw this book in person at a local school bookfair for a much higher price. Gotta love low prices. I got it for way less money here and he LOVES it! We've made day trips out of the breweries in our area and plan to visit more! 0 of 0 people found the following review helpful. A wide area of great tastes By James M. Miller I am enjoying the Ohio Breweries both by reading and searching out the micro and not so micro breweries in Ohio. Thirsty Dog is
