LLC Andrews McMeel Publishing : OLIVIA COOKIE KIT before purchasing it in order to gauge whether or not it would be worth my time, and all praised OLIVIA COOKIE KIT:

1 of 1 people found the following review helpful. NOT WORTH IT! By Shannin03I bought this for my mother-in law who loves to bake cookies as a gift from her granddaughter who loves Olivia. When my order shipped to my house I couldn't wait to see how cute it was, WOW! Was I ever wrong? It was a disappointment. It's TINY barely even usable and when I flipped it over to read the bottom of the packaging right there written clearly was the recommended price of \$9.95! Stupid me paid \$19.95, that's 100% mark up! Not worth \$10 and it's ABSOLUTELY not worth \$20. I would have returned it but my mother-in law's birthday was that weekend and that was the only present from my daughter. DO NOT BUY THIS, IT IS A WASTE OF MONEY! 0 of 0 people found the following review helpful. Not worth it! By Tracy G. This is just a cookie cutter with a pamphlet. There is a few cookie recipes on the pamphlet. Not worth the money.
