Great Little BookBy SusanmcqThis really is a great book and simplifies my life at Christmas. One dough is used and each recipe asks you to use half the dough - so you get 2 batches. I divide it into 4 so I can get 4 different cookies. You would never know they are all from the same dough. Where we live,

many of the bakeries use one dough as you can tell by the taste. They look pretty but really do not taste very good. The cookies made with with this dough taste wonderful!0 of 0 people found the following review helpful. 1 dough fifty cookiesBy seaurchin 16best ever time saver and recipies that can be used all year roundmakes you want to jump right in and whip up a batch of master doughso you are ready to bake at every opportunityThe master doug is easy and the varities astounding
