0 of 0 people found the following review helpful. good for teaching ESL By Goggle-Eyed Slewfoot "Oranges are picked." "Oranges are loaded and hauled." "The book follows a simple pattern which is easy for ESL students to follow. Furthermore, the book frequently repeats the word "oranges," thereby rendering the book valuable for a lesson on plural nouns. Since the passive voice does not come until very late in the curriculum, I do not give this book the 5 stars which I give most books by the Creative Teaching Press.

Teach Social Studies Standards through Engaging Text. Repetitive, predictable story lines and illustrations that match the text provide maximum support to the emergent reader. Engaging stories promote reading comprehension, and easy and fun activities on the inside back covers extend learning. Great for Reading First, Fluency, Vocabulary, Text Comprehension, and ESL/ELL!
