2 of 2 people found the following review helpful. This book has some pretty good recipes By Customer This book has

some pretty good recipes. The peanut butter one is good my dog loved them. I haven't yet baked any other recipes but they all look good. 2 of 2 people found the following review helpful. Love these recipes! By GGO, I should say my dogs LOVE it! Great, easy to make recipes using healthy ingredients. Last trip to the vet, not one of our pups would take the store bought biscuits offered. You won't be disappointed with this book. 2 of 2 people found the following review helpful. Easy to follow and wide variety of treats By luvinmontana Have made several recipes for my pup and he loves them. Easy to follow and wide variety of treats.

This updated and expanded edition of the original Organic Dog Biscuit Cookbook has more recipes, more variety, and more reasons your dog will be begging for another batch of these wholesome and healthy goodies. Your loyal companion deserves the best, and this cookbook includes over 100 recipes to help you do just that. Why settle for store-bought, processed dog treats when you could be delighting your dog's appetite AND health with easy-to-make, organic and delicious biscuits! All recipes are free of wheat, corn, and soy, include simple instructions, and require minimal preparation. In the time it takes to pick up a bag of treats at the store, you could be whipping up tasty tidbits for your best friend!
