This book is simple recipes with few ingredients that you will have in your pantry. My favorite is Best Chocolate Cake Ever; 4 ingredients or 5 if you add pecans. Also included are recipes for cobblers, crisps, cookies, muffins, cupcakes and more. I recommend this little book and know you will find many recipes your family will love. You will also like the spiral binding that allows the book to lay flat when open.1 of 1 people found the following review helpful. cookbookBy Sue K.I love to make things that look as if they took a lot of preparation.
