By Author/Reviewer Geri Ahearn The authors of Gooseberry Patch have outdone themselves once again as they deliver this fun-filled cookbook, packed with mouth-watering desserts, and helpful tips. In my collection of cookbooks, this is one of the first to have a cookbook, specifically for delicious desserts. As we were reading through the inspiring pages, I was contemplating on all the parties I had gone to and hosted in the past, where this cookbook would have helped a great deal. As usual, Gooseberry Patch does not disappoint. Sixty different dessert recipes are offered including: Cookies; Pies; Cakes; Sweets; Cobblers; and more. We made the Peanut Butter Temptations, and the Jam-Swirled Coffee Cake. They were both a sensation, and enjoyed. Next on my to-do list will be the Sweet Potato Poundcake, and my daughter selected the Blueberry And Buckeye Ice Cream Pie. I will leave updates with new recipes we make. In addition to the delicious recipes, the authors include helpful tips on decorating, and gifting desserts. The Pecan Pie Bars are as tempting as the Soft Molasses cookies, and I'm happy I purchased this cookbook, just in time for the holidays. We are anxious to try several sweet recipes, and will have fun preparing homemade sweets as gifts. We decided to make the Apple Crisp for Thanksgiving, and the Buttery Lemon Snow Bars over the weekend. The recipes are easy-to-prepare, and the helpful tips are a bonus. Delightful, fun-filled, and a great gift idea. Highly recommended! 1 of 1 people found the following review helpful.
