He gave me the book as he was so impressed with the recipes. I do not live in the U.S. so I had to order another one for him.0 of 1 people found the following review helpful. Five StarsBy Lana RaheGreat phoyos1 of 1 people found the following review helpful. Heavy book for light meals!By William S JamisonHeavy book for light meals! The pictures are wonderful if only you could get the meals to look even close to that. But the recipes are great and the meals are wonderful as long as the fish does not come from somewhere too close to ... well, just be careful. The book is large enough to be a coffee table book. You could even use it to hold a bowl of wheat Chex for breakfast. Almost the size of half a placemat.

A frequent traveller to the Orient, the author has produced a book of food that combines Thai, Vietnamese and Chinese seasonings with ingredients from his native Pacific coast. The result is food that is light, healthy and easy to prepare. The book won the Best Asian Cookbook of 1988 IACP/Seagram Awards.

From Library JournalCarpenter, a talented California chef, creates unusual dishes using ingredients and techniques that are a blend of the Oriental and the European: Spicy Swordfish Salad, Roast Chicken with Chinese Herbs, Rabbit

Chinois. They are original, ingenious even, rather than merely trendy (though the recipes are almost overwhelmed by the lavish format and new-wave photographs); easy to prepare; and inviting. Costly, but buy this if you can.
