Angela Anottacelli : Paleo Juicing Recipes (Caveman Cookbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paleo Juicing Recipes (Caveman Cookbooks):

0 of 0 people found the following review helpful. easy to follow step by step instructions and the ingredients ...By Karen HoldingJuicing is something that I have been wanting to do for a long time but finding a book with simple and delicious recipes is hard. Then I got this book and that changed. The book is well set out with sections for different types of juices and juices for specific actions, easy to follow step by step instructions and the ingredients are readily

available in supermarkets and health food stores. There are also helpful explanations of what the juices are for at the beginning of the recipes. I would have liked to see some more pictures of the finished products. Overall I found this book very helpful and easy to use.
