Book includes basic and not so basic pancake recipies, including dry mixes to make in bulk ahead of time (great for this busy mom). Also included are flavored syup and toppings. I am hungry already. For the more adventursome- there are meat and vegetable types. But our favorite so far are the dessert pancakes, complete with chocolate and whipped creame. Pictures are great too.2 of 2 people found the following review helpful. Not just your ordinary pancakesBy ElinneaWow! I didn't realize there were so many types of pancakes!
