Cute!By TinaThe journals are adorable. The cover is a nice, matte paper stock and each of the 4 journals has a different interior---there is just as much design detail in the inside as the outside. Really charming, and the perfect size. I bought the whole Paper Patisserie line, actually. Big fan.1 of 1 people found the following review helpful. pretty papersBy K. R. RyanPretty and petite~these little notebooks are perfect for your thoughts or lists or as a gift. I love the case and the creative swirls.

Keep this delightful set of four petite journals at home or the office, each one perfect for jotting down lists, notes, or dreams.

About the AuthorA keepsake box that holds an assortment of more than 100 multipurpose peel-and-stick labels, featuring the beautiful designs of Peculiar Pair Press.
