Peimei Fu : Pei Mei's Homestyle Cooking [With DVD] (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pei Mei's Homestyle Cooking [With DVD] (Chinese Edition):

1 of 1 people found the following review helpful. This is a great Chinese cookbook By W. E. Howard We have the 3 volume set of cookbooks from Pei Mei, and when we saw this one, with updated recipes from her daughter, we went for it. The recipes really work, and everyone loves the dishes. We have been using the recipes that work with our new wok, not the steamed dishes, but try it, you will like it. The DVD and the recipes at the very end of the book are in Chinese, so beware if you don't know any Chinese. The main recipes are in English, and they should improve your Chinese cooking by 100%.

Wonderful holiday cook book for you and your family!
