Sarah Flower : Perfect Baking with Your Halogen Oven: How to Create Tasty Bread, Cupcakes, Bakes, Biscuits and Savouries. Sarah Flower before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect Baking with Your Halogen Oven: How to Create Tasty Bread, Cupcakes, Bakes, Biscuits and Savouries. Sarah Flower:

0 of 0 people found the following review helpful. NO PICTURES ! boring reddish white pagesBy Carrie M.BOOOO ! NO PICTURES ! If you are the type of person who loves a cookbook, especially one with pictures this is not for you. I love to see a beautiful picture of a dish and that will usually entice me to make it because it looks delicious. There aren't any pictures in this book just reddish white pages. The cover of this book is VERY misleading. Beautiful colored foods on the front. (shakes head) Flipping through the pages last night, it was very boring. I might as well have

been reading recipe cards and not a cookbook. I ordered a different halogen oven cookbook last week, and it is cover to cover full of pictures, I guess I will be using that one. As others have mentioned the recipes are in metric versus imperial. Which is fine, I can convert them or use a scale; however, like most of my other cookbooks, the author really should have listed both on each recipe. 6 of 6 people found the following review helpful. Makes this oven worth using
By Susan J. Steinick Bought oven with very few instructions or recipes. This book has so much information and recipes that are easy to make 0 of 0 people found the following review helpful. Four Stars
By Guillermo Madero Pinzon MX10X36454NuI haven't used very mucho but as far as I know it's a goog buying. Thank yoo

Nutritionist Sarah Flower has been a big fan of the Halogen Oven since its launch and uses her own every day to cook for her family. Following her bestselling *The Everyday Halogen Oven Cookbook*, she shows you how versatile your Halogen Oven can be and how you can use it to bake bread, cupcakes, cakes, pastries, biscuits, puddings and savouries. Whether you're baking for coffee breaks, tea time, picnics, or any family occasion you'll find nearly 150 savoury and sweet treats in this book, including many of your favourites - plus lots of new baking ideas. This is a book of indulgence, baking and yumminess - grab your pinny and get cooking!

About the Author Sarah Flower is a nutritionist, journalist and author of *Live More, Spend Less; Eat Well, Spend Less; Slow Cook, Fast Food* and *The Everyday Halogen Oven Cookbook*.
