2 of 2 people found the following review helpful. Wonderful selection of pie recipes By \_CustomerAuthor Katherine Hupp has written a wonderful cookbook, Perfect Pie and Pastry Recipes: Homemade Dessert Pies Made Easy Cookbook, as her cookbook is filled with lots of pie baking tips and recipes. There are colorful photos throughout her cookbook illustrating various recipes. Some of the recipes you will find in her cookbook include: Two-Crust

PastryCranberry PiePumpkin Rum PieEnglish Walnut PieThere is an active table of contents making navigation easy.Recommend.1 of 1 people found the following review helpful. Missing ingredient amountsBy z3In looking through this book the recipes looked yummy. However I soon noticed that in many of the recipes ingredients amounts were missing. In their place was an empty square. Personally, I am not into guessing games when it comes to making recipes. With "perfect" as part of the title in two separate areas one would think that the author would have proofread the recipes to make sure they were written perfectly as well. Hopefully, this book will be revised because there are some tasty looking recipes in the book, however, without the missing information I will, never know because I will not make the recipe. I am not a novice baker, but with the cost of ingredients these days I am not into experimentation that might waste ingredients. If it were not for the missing information, measurements I would have given the book a five star rating.0 of 0 people found the following review helpful. Two StarsBy CustomerDisappointed in it

Intimidated by the thought of pie baking? Don't worry. With the help of Perfect Pie and Pastry Recipes: Homemade Dessert Pies Made Easy you will soon be making delicious tasting pies like a pro.Just follow the easy-to-understand recipes in this book and put the helpful tips section to use.
