Violeta A. Noriega : Philippine Recipes Made Easy before purchasing it in order to gage whether or not it would be worth my time, and all praised Philippine Recipes Made Easy:

0 of 0 people found the following review helpful. Four StarsBy Elsa BrumbelowI do like most of the recipes.0 of 0 people found the following review helpful. Easy, exotic and delicious!By D. KrstulovichPhilippine cuisine is not native to me but I'm thoroughly enjoying these easy-to-follow recipes. And the results are spectacular!A completely novel way to enjoy familiar ingredients in a whole new (and healthy) way. A little experience with Violeta's recipes

will give you confidence to try unfamiliar or exotic ingredients, too (most of which are very easy to find). Steamed orange roughly with onions and ginger is YUMMY. (Note: fillets will steam in 2-3 minutes, depending on the size. American cooks will appreciate it if you double the sauce ingredients as we enjoy extra sauce with our rice) Fresh spinach with ginger, hot chile peppers and coconut milk is out of this world. I hear Filipinos love their coconuts. As soon as I get my hands on some Michiko rice flour, I won't wait any longer to prepare Violeta's Coconut Cake. I hear it is wonderful and I don't doubt it! This book is filled with easy, exotic and wonderful recipes with an intriguing and delightful island flair for freshness. GREAT for a beginner! 0 of 0 people found the following review helpful. Really easy. By Jill I bought this book at the suggestion of my sister in law. I'm a first generation Filipino and moved far away from my mom's cooking. I wanted to make all the dishes I loved and this book is a great guideline. Gives a great template and you have room to add your own flair and my parents' suggestions. This book is so much easier to follow than another book I bought which had so many ingredients (most of which were hard for me to find). This was so much easier and simple to follow.
