Homey, hospitable and entertaining :)By JackieIn the acknowledgements, the author writes, "This may be a little book, but it carries within it the goodwill of a great many people".Homey, hospitable and entertaining, that goodwill was warmly felt. I learned lots of tidbits about pie I did not know and am seriously excited about hosting a pie contest. Plus, some seriously interesting recipes from contest winners I'm looking forward to trying.My only disappointment is that my kindle paperwhite could not open the downloaded file for this book. Had I known that, I would have purchased the paperback.1 of 1 people found the following review helpful. A Cute Contest KitBy FJGarnerThis is a cute, fun product. It is great for a work event, a charity fundraiser, a social event, or even just bragging rights in your circle of friends. The kit has everything you need for a Pie contest with the exception of the people, pies, plates and utensils. And a sign up sheet should take care of the rest.1 of 1 people found the following review helpful. Great Book and Great time!By JunkieWe decided to have a family pie contest, well it was one of the best family times we have had in a long time! We used the suggestions for music and set it up according to the suggested format in the book. It was worth way more than what they charged. Professional pie judging sheets, ribbons for judges and winners and more. We had 12 pie's entered and about 20 in

attendance. One suggestion, the more you squeeze in the merrier!!! Keep the music loud and the laughter the same. Plan on doing this again next year! Thank you Gina Hyams.

"Gina Hyams has put together a fabulous fun book/gift: Pie Contest in a Box: Everything You Need to Host a Pie Contest. There's a great book inside, with recipes, pie history, and plenty of inspiration for gathering your friends together to see who can make the best pie. Plus, ribbons! And scorecards! This would be a great party." --Gluten-Free Girl Shauna James Ahern "a perfect little gift" --Jackie Burrell, San Jose Mercury News "Pie contest glory! Best advice ever..." --Amy Rogers, WFAEats "...perfect summer cottage activity. Only thing missing is the pie." --John Tanasychuk, Ft. Lauderdale Sun Sentinel "Now it's your turn to put your pie where your mouth is with this clever pie book." --Diane Cowen and Greg Morago, Houston Chronicle "I admit, I raised my eyebrows when I unpacked a new gift item called Pie Contest In A Box... Second reaction: Oh, so what. This could be fun. I think I'll actually use the contents of the box -- score sheets, pie toppers, and ribbons -- to liven up a contest this summer for my pie-baking kids, or maybe bring it along for a summer vacation with friends. But the handbook in the box is the part that seems the most useful..." --Rebekah Denn, Al Dente "...could be incredibly useful wherever food markets, block parties, and 4-H fairs thrive." --Barbara Hoffert, Library Journal About the Author Gina Hyams is an author and editor who specializes in mysterious and confounding subjects.
