In his fourth cookbook, Warren Brown takes on the illustrious pie. It was his love of apple pie as a child that sparked his interest in baking, and he has wanted to write this cookbook ever since he added pies to the menus in his CakeLove bakeries and saw his customers' enthusiastic responses. Brown answers every baker's questions about making the perfect pie and includes recipes that range from sweet to savory, mixing recipes for traditional fillings with fun, unique takes: blueberry maple pie, mango and strawberry tart, apple lasagna, shroom-ikopita, chicken potpie, Jamaican beef

patties, and much more. Of course, piecrusts and cream pies are covered as well.
