**Jo Packham : Pieography: Where Pie Meets Biography-42 Fabulous Recipes Inspired by 39 Extraordinary Women (A WWC Press Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pieography: Where Pie Meets Biography-42 Fabulous Recipes Inspired by 39 Extraordinary Women (A WWC Press Book):

1 of 1 people found the following review helpful. My life as a pie...By 303DenverGalI liked the idea behind the book but it would have been better to be organized by the pie and not by the chef. This book was read for a group cooking class social event and we all thought it was good and recipes were fun with the stories but we couldn't help but think why do we care about each chef, they are not commonly known and nice of the author to give them the spotlight but for the general foodie-cook we're really focused on the recipes and the pies first and the stories and chefs behind them second. It was hard to find the recipes since we couldn't just look up the pie list. Perhaps this wasn't meant to actually cook from as much as to read about the people but it may have pleased both types of the audience better had that been different. Fun idea though of what type of pie would you be and why for a social topic and interesting point of view that was not just the run of the mill for presenting a group of recipes.3 of 3 people found the following review helpful. I Love PiesBy Murph51The photography in this book is stunning. The stories behind each recipe are interesting. I have flagged several of the recipes to try, like the Fancy Egg Pie and the Traditional Rustic Chicken Potpie. Oh, and

the White Chocolate Buttermilk Pie with Warm Raspberry Sauce! Yum! I think I'll go start a shopping list and head to the market! 2 of 2 people found the following review helpful. Another Jo Packham gem By Dianne I love everything that Jo Packham takes on. This book has delicious photographs and stories as well as easy to follow recipes and entertaining ideas. I have picked up this book and read it and read it all over again.

What kind of pie conveys the experience of starting a new job, getting married, becoming a mom? Over 30 of the country's top foodies are here to tell you. Each one has devised a pie recipe that captures the essence of her life. Stir in beautiful photography, short essays, and brief bios, and voilaacute;, you've got more than a cookbook: you've got Pieography. From Espresso Dream Pie to Salmon and Spinach Pie, this collection nourishes body and soul.
