Pillsbury Editors : Pillsbury Best Cookies Cookbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pillsbury Best Cookies Cookbook:

1 of 1 people found the following review helpful. A great buy! By Mickey I was tired of finding cookie recipes on line, trying them out, and finding they were a disaster. So I purchased this cookie cookbook and my problems were over. I enjoy the accuracy of the recipes as well as the good variety. I appreciate the helpful information this book has in the beginning informing just what different ingredients do to a recipe, information on equipment and how to store cookies after baking them. This is a wonderful cookbook for the beginner as well as an experienced cookie baker. I would definitely highly recommend it. 1 of 1 people found the following review helpful. Love the Pillsbury Cookbooks By Diane Tumulty I'm a big fan of the Pillsbury Cookbooks. I love that the books have pictures for almost all their recipes! This is the second cookie book that I have purchased. I finally bought one for my mom who is always asking for my cookie recipes. I have it all marked up (like I do with most of my cookbooks) with variations, changes that I like to make, and family members' favorites. The best is the Honey-roasted Peanut cookies! They are so delicious. The glaze is yummy all by itself and we've often taken any extra glaze and put it on ice cream! I still think the best oatmeal raisin cookie recipe is found on the inside lid of the Quaker Oats container! 0 of 0 people found the following review helpful.

CookbookBy SunshineThis is a Great Pillsbury Cookie Cookbook. There are a Lot of Great Cookie Recipes in it.It shipped quickly and I received it fast.Good Price and Great ShapeThank you.
