SmithPaging through this cookbook is always a bit of an adventure and promises to yield a delicious dish for just about every occasion. Whether you are looking for a dessert (some of the best recipes in this book are for desserts) or for a main dish, there is something for everyone in this book. Some of my family's favorites include Creamy Broccoli and Rice Soup, Savory Crescent Chicken Squares, and Ramen Vegetable Beef Stir-Fry. Our favorite goodies include Caramel-Filled Chocolate Cookies, Pecan Pie Surprise Bars, Raspberry Filled White Chocolate Bars, Caramel Apple Cake, Peanut Butter Crunch Cake, and Cookie Cheesecake Squares. I have used this cookbook on many occasions and although I love the recipes, I wish that the book was in a binder instead of a hardcover book. Also, I tend to like cookbooks with more pictures, but I felt that the stories that were included about many of the winners was an excellent addition to this book.

Overall, I highly enjoy trying many of these recipes and I feel it is an excellent addition to any cookbook collection. Enjoy! 1 of 2 people found the following review helpful. Pillsbury Best Large print edition By S. J. Galvin I was so happy to find this cookbook for my friend who is losing her eyesight. I plan on giving it to her for Christmas. I am sure she will enjoy being able to read the recipes with less difficulty.
