**Liz Barrett : Pizza, A Slice of American History** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pizza, A Slice of American History:

2 of 2 people found the following review helpful. EhBy PhoenixI was under the impression that this book was a look at the cultural history of pizza in America. It isn't. It has a few photos and vignettes, and recipes for various styles of pizza. It's not bad for what it is, but I was disappointed when I realized it wasn't more historical. 2 of 2 people found the following review helpful. A Must For Any Pizza Lover! By NaturegalA wonderful book delving into the history of pizza, along with a fantastic U.S. tour of sorts on the great pizza cities. There is a wealth of knowledge to be gained by reading this awesome historic culinary treasure! Add to that the bonus of some tasty recipes and interesting pizza facts, and you have either the perfect gift for the pizza guru on your list -- or a superb book for your culinary collection! A must for any pizza lover!!! 1 of 1 people found the following review helpful. Good Read If You Like Pizza By Danielle N. Hart Interesting read on the history of pizza and its evolution here in the States. (I am a New York-style girl myself.) There's plenty of interesting tidbits and photos, and some recipes that I plan on trying at home.

Americans eat a combined 350 slices of pizza every second! Pizza: A Slice of American History tells the story of how pizza has become one of the country's most popular foods, enjoyed coast to coast by millions of pizza fans. Pizza journalist Liz Barrett explores how it is that pizza came to and conquered North America and how it has evolved into different forms across the continent. Each chapter investigates a different pie: Chicago's famous deep-dish, New Haven's white clam pie, California's health-conscious varieties, New York's Sicilian and Neapolitan, and many others. Recipes provide readers with the opportunity to make and sample some of America's favorite pizza styles. Illustrated throughout with modern and historical photographs, postcards, and memorabilia, Pizza: A Slice of American History is one of the most comprehensive and fun cultural histories of pizza ever written. PRAISE FOR THE BOOK: "Barrett's pizza knowledge is extensive and she has a unique gift to distill the information into delectable slices. The images are impressive and create a brilliant visual history of pizza. You will discover some rarities which are true nuggets of the pizza saga." --Albert Grande, Legends of Pizza "Liz Barrett has written one of the best all-around books on pizza I've come across... This is a broad-based exploration of pizza, its history and its place in our culture." --Dave, The Rochester NY Pizza Blog "Chock full of American pizza history, folk-lore, and guest interviews with many pizza luminaries." --Peter Reinhart, Pizza Quest "I am in love with it." --Scott Wiener, Scott's Pizza Tours "Well-written, engaging, beautifully designed and photographed." --Adam Kuban, founder of Slice
