From Good Books : Pizza! Delicious Recipes for Toppings and Crusts for All Pizza Lovers before purchasing it in order to gage whether or not it would be worth my time, and all praised Pizza! Delicious Recipes for Toppings and Crusts for All Pizza Lovers:

Move over, frozen pizza! Step aside, mass-produced take-out varieties! Make way for Pizza!, a celebration of America's favorite fast food, using the freshest and tastiest ingredients, prepared in your own kitchen. Detailed instructions and mouth-watering photos will guide you through preparing a wide variety of pizzas. Whether your appetite calls for a crispy or thick crust, Move over, frozen pizza! Step aside, mass-produced take-out varieties! Make way for Pizza!, a celebration of America's favorite fast food, using the freshest and tastiest ingredients, prepared in your own kitchen. Detailed instructions and mouth-watering photos will guide you through preparing a wide variety of pizzas. Whether your appetite calls for a crispy or thick crust, vegetarian or meat-lovers topping, white sauce or red, Pizza! lets you have it your way. Purists will enjoy the Classics chapter with its traditional favorites. Dessert-lovers will find rich decadence in the Sweet chapter, including Banana, chocolate and pecan dessert. Kids get their own chapter, and Pizza fingers. The book includes recipes for bases, breads, sauces, and more than 70 toppings--a pizza for

every occasion! From the same series as Juice!, Ice Cream!, Soup!, Crepes, Waffles and Pancakes, and Grill!
