Here are some of the recipes included, and these are just in the first 51 pages of the book. There are 217 pages total, with countless others:Roasted Mushroom and Shallot (contains shallots, chive and onion cream cheese, and Lorraine cheese)Garden Eggplant (eggplant, tomato, red pepper, onion zucchini, etc.)Goat Cheese, Tomato, and BasilTomato, Asparagus, and Basil (uses pesto instead of pizza sauce)Sunny Side Up (with eggs, spinach, onion, balsamic vinaigrette, etc.)Shrimp Pizza (pesto, shrimp, red peppers, arugula, etc.)Peach Gorgonzola Chicken (yes, with peaches and chicken, and balsamic vinegar)There ARE a few basic recipes, and basic sauces. But these are the exceptions. There are tons of things I've never imagined putting on a pizza, and interesting combinations of other things I wouldn't have thought of putting together. The author also includes general advice for pizza making.I bought this book to go along with my Presto 03430 Pizzazz Plus Rotating Oven, and it's been an adventure!3 of 3 people found the following review helpful.)
