**Lorenza De' Medici Stucchi, Chuck Williams : Pizza (Williams-Sonoma Kitchen Library)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pizza (Williams-Sonoma Kitchen Library):

0 of 0 people found the following review helpful. YummyBy justmetalkinThe photos are wonderful and the recipes are unique . It takes pizza to a whole new level....very gourmet. If you want to impress guests, add this cookbook to your collection.0 of 0 people found the following review helpful. Five StarsBy christine seminerionice book0 of 1 people found the following review helpful. DatedBy Chef ChocolatierSome interesting toppings, but little information on dough development or history. The recipes are simple, and offer good results. No attention is paid to sourcing ingredients, or authenticity, but then again, it was written decades ago.

Pizza (Williams-Sonoma Kitchen Library) [Hardcover]
