Ms Nikki Rattan : Pizzas and Pastas before purchasing it in order to gage whether or not it would be worth my time, and all praised Pizzas and Pastas:

An Italian designer cook book full of numerous delightfully authentic and creative recipes of Pizzas, Salads and Pastas with herbs and lots of vegetables. From traditional Margarita to Terrific Americano the book also has recipes of some classic pastas. Passionate recipes of Ravioli Spinacio with Aubergines to Salmon Pasta it promises a taste that cannot be forgotten. Richly illustrated it is al Dente for any kitchen.
