Evan Kleiman : Pizzeria: The Best of Casual Pizza Oven Cooking (Casual Cuisines of the World) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pizzeria: The Best of Casual Pizza Oven Cooking (Casual Cuisines of the World):

0 of 0 people found the following review helpful. Four Stars By A. Siriani Classic cookbook at a great price. 14 of 16 people found the following review helpful. Tremendous fun--even if limited in scope. By CKBA host of delightful pizza recipes, most of them in the authentic Italian style of Naples (tomato sauce and cheese isn't the starting point--it's the whole pizza, you American clod). The recipes are all structured for a 9 inch pie, which is really a blessing in disguise, since that lets you plan on cooking two or three different pizzas for your friends in the course of one magnificent evening of Italian pastry. Note, however, two shortcomings--first, the book only considers 9" pies with the thin, crisp crust characteristic of Naples, and it really doesn't want to talk to you if you don't have a pizza stone to bake them on. So, you won't find guidelines for making thicker, softer crusts, nor will you find advice for making a good

pizza on those ancient metal sheets you use for the frozen pizzas from the supermarket. Still, we have had a heck of a good time with this book. 10 of 10 people found the following review helpful. Pizzeria: the best of casual pizza oven cooking By KEN A GYORII grow up in Sao Paulo, Brazil, where pizzerias are a hit specially in the Italian neighborhoods. Cooking from this book was like transporting my Little Italian heart to my table back in Seattle. The recipe of the pizza dough is FANTASTICO and Reliable. BEST PIZZA DOUGH !

readers to a casual dining atmosphere in Naples, pizza capital of the world. Images from renowned photographer Panina illustrate all 54 recipes and bring readers Italy's most famous foods and typical eateries in all their colorful glory.
