Stephen Beaumont, Tim Webb : Pocket Beer Book 2014 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Beer Book 2014:

0 of 0 people found the following review helpful. One of the Key Beer Authors By Bierfesten Beaumont is one of the key beer authors that I have never met, but I know his previous works on beers in Canada. I used to read his interesting

perspectives on beer in the Celebrator magazine and this book is one of the books on beer I now use to reference certain beers or styles. I initially was put off by the idea of a POCKETBOOK of beer, but ultimately you slap it on your Kindle app on your android or iphone. The only part I'm not so keen on is the beer/food matching concept but that's my own particular anti-establishment views on this idea. The book lists foods styles with beers, and I think its a definite good way to learn if this is an area your interested in. I feel the value of \$10 for established beer authors is a fair price for good beer content. 1 of 1 people found the following review helpful. Excellent Resource for the Keen Beer Drinker By Spiglord [Kindle Edition] The Pocket Beer Book 2014 is an excellent resource for the keen beer drinker, who likes to sample a range of beers from around the world, even better if you travel frequently. Clear, concise and full of useful information, ready a moments notice on your smart phone or tablet of choice.

As featured in beer-loving Great Food Magazine, this landmark guide provides beer fans with easy access to an expert overview and puts a world of superb beers at your disposal. Written by two of the world's leading beer experts, with the help of a team of international contributors, The Pocket Guide to Beer 2014 takes you from the Bock beers of Germany to the Trappist beers of Belgium, the complex bitters and stouts of Britain to the cutting-edge brews of North America. This expert selection covers the extraordinary variety the world's beers now have to offer. Tasting notes, organised by country, provide succinct commentary on the chosen beers and cover the brewery and each beer's key characteristics. With over 3,000 beers covered, this book encompasses more familiar established beers as well as exciting new discoveries from the myriad craft breweries that are emerging around the world, covering over 60 countries. Punctuating the tasting notes is information on 'beer destinations', specific places where you can best experience a beer in situ. An extensive introductory chapter to the book also covers styles of beer and emerging trends. Contents Includes: How to Use This Book Introduction What is Craft Beer? Beer Styles Beer at the Table EUROPE NORTH AMERICA THE CARIBBEAN LATIN AMERICA ASIA THE MIDDLE EAST AUSTRALASIA AFRICA And More!

About the Author Stephen Beaumont is a writer and journalist who has been writing about beer for over 20 years. Based in Toronto, Canada, Stephen has written for a very wide range of publications, from the International Herald Tribune to Wine Enthusiast magazine. He has also written, co-written or contributed to ten books. In total, Stephen authors nine regular columns for eight publications, as well as blogs at cheersonline.com and thatsthespirit.com. Tim Webb is renowned as a beer writer across Europe and North America. He has a particular interest in Belgian and international craft brewing and has compiled eight editions of Good Beer Guide Belgium (1992 to 2010) and co-wrote 100 Belgian Beers to Try Before You Die! (2008) and LambicLand (2004 2010). Tim writes for Beer Advocate Magazine (US) and is managing editor of his own niche publishing company. For six years he was on the board of the Campaign for Real Ale (CAMRA) and formerly ran their Great British Beer Festival. He lives near Cambridge, England.
