I am missing more technical stuff but still it's a great book0 of 0 people found the following review helpful. Five StarsBy robertawesome0 of 0 people found the following review helpful. Great resource.By jimsturEverything you ever wanted to know about porter and more. This book provides a comprehensive history of how porter was brewed and consumed. A must have

for any new brewer.

A brewing veteran and renowned expert on British beers, Terry Foster has written the only in-depth book on brewing this classic style with modern ingredients and equipment. Porter reviews the history of George Washington's favorite beer and teaches you how to create this rich, full-bodied ale for your own enjoyment. The Classic Beer Style Series from Brewers Publications examines individual world-class beer styles, covering origins, history, sensory profiles, brewing techniques and commercial examples.

About the Author Foster holds a Ph.D. in chemistry from the University of London. He is an Associate Research Fellow for the world's major producer of mineral processing chemicals.
