years. I always cook my pecan pie from it and my sons love it. There are many interesting recipes and it is just fun to read!

The Community Garden Club of Johnson City is very proud to publish a book such as Potluck on the Pedernales. It contains recipes, folklore, and is presented in an amusing and informative way. This is a true LBJ Country cookbook of Pedernales Potluck from the people who made the history in the area so unique and the food just as great.
