J.Indersingh Kalra : Prashad-Cooking with Indian Masters before purchasing it in order to gauge whether or not it would be worth my time, and all praised Prashad-Cooking with Indian Masters:

0 of 0 people found the following review helpful. This book is not for Indian cooking beginners. Requires ...By Perry Owen This book is not for Indian cooking beginners. Requires basic methods prior to testing recipes, otherwise exciting recipes. Strangely organized as there is no index or recipe categories. 0 of 0 people found the following review helpful. I'm a young aspiring cook and this book is great! The author did a great job of writing ...By Joann_Cook I'm a young aspiring cook and this book is great! The author did a great job of writing critical steps in each recipe and is straight to the point. This is a very good book for the basics, and as the author mentions, should be leveraged for creativity not only duplicating recipes. 0 of 0 people found the following review helpful. The content may be fine but the paper quality is very poor. By Customer The content may be fine but the paper quality is very poor. Also the print and picture quality is awful.

This Book is a celebration of the best in Indian cooking. It is the Author's intention to introduce the foods of India through the culinary genius of some of the finest Chefs in the country. e Quality and Popularity of the Book.

About the Author The Author besides being a Journalist and travel writer of repute is also the President (Asia) of the International wine, Food and Travel Writer's Association. He has run a series of highly popular Restaurant columns. He is one of those rare writers in his genre who have given Chefs their pride of place as true Artists. Mr. Kalra is presently a Consultant in the Restaurant and Travel field
