The Evolution of German BeerBy nanomatrixWe can across this book while drinking beer in a German pub in Portland by the same name and were so fascinated by the stories that we ordered a copy. In a modern society where drinking is so heavily restricted it was amazing to see how much of a staple beer was to early civilizations. Fun read, great gift for beer drinking friends.0 of 0 people found the following review helpful. History AND beerBy Nosey ianWhat a fabulous book combining my love of history and beer!2 of 2 people found the following review helpful. Everything you've always wanted to know about German beer. ...By Mathias KietzmannEverything you've always wanted to know about German beer. Almost. This book would benefit greatly from a revisited edition in order to incorporate recent brewing trends in Germany.

In Prost! author Horst Dornbusch has extracted from his vast knowledge of German history and beer all of its best parts, and mixed into a fine brew. 141 b/w illustrations and photos, 1 table

From the Back Cover "Prost! is perhaps the only work in English that details how the political, economic, and social history of Germany are inextricably linked to its brewing history and culture. . . . Finally, there is an accurate, comprehensive overview of the history of beer and brewing in Germany that obviates the need to pore over volumes of dry history books, each of which may contain as little as one or two relevant bits about brewing."--From the Foreword by Eric Warner, Owner of Tabernash Brewing Company. Horst Dornbusch introduces you to the glorious world of German beer. Nowhere has the history of beer been so intimately intertwined with the political, religious, and cultural history of the land and its people as in Germany. Trace the 3,000-year-old story of German beer from its turbid beginnings among tribal bands in the forests to the crisp, clean gems we drink today. Discover German beer's subtle secrets--find out what makes it special and sets it apart. Learn why Germany is arguably the greatest beer culture in the world. Examine the ingredients that go into authentic German beers and follow the processes that make these beers. About the Author Horst D Dornbusch
