Edward H. Vogel : Questions on Barley, Malting and Malt in the Beer Brewing Process before purchasing it in order to gage whether or not it would be worth my time, and all praised Questions on Barley, Malting and Malt in the Beer Brewing Process:

3 of 3 people found the following review helpful. An Old., Short BookBy Dr. BeerThe most recent information in this

book dates from about 1949. The book is very short. There is some good information in it, but overall, it was a disappointment.

This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.
