Susan Evans : Quick Easy Asian Vegetarian Cookbook: Over 50 recipes for stir fries, rice, noodles, and appetizers before purchasing it in order to gage whether or not it would be worth my time, and all praised Quick Easy Asian Vegetarian Cookbook: Over 50 recipes for stir fries, rice, noodles, and appetizers:

3 of 3 people found the following review helpful. Good starter bookBy SolvravnBeing relatively new to wok and

steamer cooking, I enjoyed the book. There are 50 recipes that are easy to fix with simple and readily available ingredients. I found that many of the recipes are essentially the same with just some minor differences so that makes it easy to feel confident that the entrees will be as intended. It's a good little book for getting started in Asian vegetarian wok cooking.0 of 0 people found the following review helpful. It has some pretty good recipes and helped me get a good start ...By M. KennedyIt has some pretty good recipes and helped me get a good start on some of the basics of eastern cooking.0 of 0 people found the following review helpful. Five StarsBy Maria AnamaGreat cookbook for those who enjoy Asian dishes but do not eat meat!

Who doesn't enjoy the wonderful and wide-ranging flavors from Asian cuisine? From China, Japan, Thailand, Korea, to Vietnam and more; each region represents a long-standing cooking tradition and history. This cookbook contains over 50 deliciously good Vegetarian-Only Asian recipes including stir fries, noodles, rice, curries, and appetizers. Create a mouth-watering meal that even omnivores will enjoy. Let's get the cooking!
