Heihachiro Tohyama, Yukiko Moriyama : Quick Easy Sushi Cook Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Quick Easy Sushi Cook Book:

Detailed step-by-step colored photos and written text to making Sushi. Includes all aspects of making Sushi, including cutting the fish and preparing the seaweed. Extensive index and appendixes include: rice preparation, fishes, seaweed, glossary, special terms used in Sushi restaurants, how to eat Sushi, and metric tables.
