It tells you what you need, how to treat your Wok before using it, cleaning it, etc. it's got great recipes that range from easy to hard so even if you really can't cook that well you can use most of the recipes in this book.0 of 1 people found the following review helpful. Five StarsBy David R Moodygood

Discover the complex flavors of the East in dishes such as Mussels in Black Bean Sauce, Indonesian-style Chicken Sate and Singapore Rice Vermicelli.
