Melanie Barnard : Ready, Set, Dough!: Incredibly Easy and Delicious Ways to Use Store-Bought Doughs

before purchasing it in order to gage whether or not it would be worth my time, and all praised Ready, Set, Dough!: Incredibly Easy and Delicious Ways to Use Store-Bought Doughs:

9 of 9 people found the following review helpful. Easy enough for a guyBy Daniel SerraAs a guy who likes to cook once in a while but not worry about getting it right from scratch, I found this book's recipes easy to follow and the results as good as from scratch. No one knew. I was a little disappointed because the first recipe I made, the citrus tart, has a mistake in it (it listed an ingredient but that ingredient wasn't included in the directions!), so it left me wondering about the rest of the recipes' accuracy. But overall a good variety of recipes for any occassion. Beware there are no pictures, just a few drawings.

Store-bought unbaked pie crusts, pizza crusts, sweet and savory breads, cookies, bars, and other ready-to-use doughs are put to truly creative and time-saving use in *Ready, Set, Dough!* Helping to beat the clock without sacrificing taste and quality, expert quick-cook Melanie Barnard provides a complete range of appetizers, snacks, one-dish suppers, breads, and desserts no one will guess you didn't make from scratch. By eliminating the tedious and tricky part of baking--making the dough--you can serve up delicious Herbed Sausage Calzones, Grilled White Clam Pizza, Chicken and "Baked" Herb Dumplings, and other hearty main dishes in no time. Memorable desserts, ranging from a Rustic Apple-Cranberry Tart to Chocolate Raspberry Cheesecake Torte--as well as a delectable array of cobblers and pies--are a cinch to prepare. Need something for the bake sale your kids forgot to mention? Whip up a batch of Double Peanut Butter Cookies or Chocolate Chip Brownie Custard Bars. For breakfast, try one of Barnard's trouble-free sweet breads--Baked Jelly Doughnuts or Cinnamon Raisin Swirl Bread, for instance. The quick and easy recipes in *Ready, Set, Dough!* will turn even a novice cook into a fearless baker.

"Melanie Barnard is a genius. She has taken the delicate art of baking and made it easy and fun. We look forward to a life of flaky apple pies, luscious pandowdies and ooey-goey chocolate specialties." --Jane and Michael Stern
