11 of 11 people found the following review helpful. Ehh....it's ok. By eric hahn I was so excited to get this coloring book. I think I just expected more from as a few of the pages I don't even think I can really Color in they look like everything is shaded in already but I'm not giving up I've ordered a couple more. I am very happy with the pages that I can color in. Hoping as I color them in I will feel relaxed and happy as I have been to Paris and when I think of it brings me great joy. 8 of 9 people found the following review helpful. All pics are already partially colored....By

Cynthia Stough I love the patterns in this book, the paper is not very thick but it is one sided....kinda weird as every picture or back ground is already colored, so you feel like you have to go a long with their color palate` or the finished product will look strange.....1 of 1 people found the following review helpful.
