Has lots of Indian staples and many recipes to choose from. Sticking point may be the availability for some Indian ingredients but majority of the recipes use readily-available ingredients0 of 0 people found the following review helpful. Real Indian recipesBy Carmelita TischerI purchased two copies of these because my sisters where so impressed with the book. I kept replacing the copy I had.0 of 0 people found the following review helpful. beautiful book...By W. changbeautiful book...

This comprehensive cookbook contains 100 simple and authentic Indian recipes, including delicious main dishes, appetizing sides, comforting legumes, essential sundries, beautiful homemade chutneys and pickles, and even some tempting desserts and refreshing drinks. Each recipe is illustrated with a gorgeous color photograph of the finished dish and step-by-step pictures guide you through any more difficult processes. In addition, beautiful images of scenes

from across India capture the mood of this vast subcontinent. The informative introduction gives you insight into the history of Indian regional cuisine and provides a handy glossary of ingredients, as well as recipes for basic spice mixes and pastes.
