0 of 0 people found the following review helpful. Great Book By Hashmi I have been looking for a smoothies book for my family. This book is full with easy and practical tips and recipes that will help you to bring your smoothies to a different level. I love the collection of these affordable juice recipes this book offers. The entire recipe was mouth watering. All the recipes are described with beautiful pictures. I liked mainly Red veggie smoothie and orange carrot smoothie. I definitely recommend this recipe book for those looking to improve their health. Special thanks to the author.
